

## Canvas Training Week

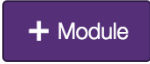

# Canvas: Modules

### Modules

Modules are a great place to organize and create all of your course content—from assignments to pages. You can organize your content into a week by week structure, or by categories.

For the rest of this document, we will be in the Modules section. Click on the **Modules** link on the left navigation panel

### Adding a Module

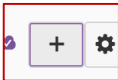

1. Click the **Calendar** Icon in upper right, and **choose date**
2. Click on the  icon in the upper right
3. **Name** your module
4. **Click Save**

*Note: You can reorder your modules and assignments by clicking and dragging the brail*

*icon  on the left of each module name.*

### Adding an Item

Items represent all course content (e.g. pages, quizzes, assignments)

1. Click the  button to the right of your Module name
2. Choose the type of item you wish to add from the drop down.
3. Click **Add Item**

*Note: You can reorder your modules and assignments by clicking and dragging the brail*

*icon  on the left of each module name.*
